Dear Charles:

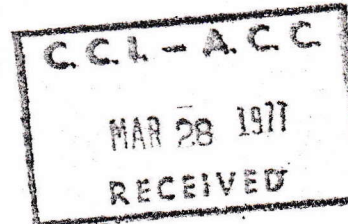

I am writing to you on behalf of this year's Programme Committee of the IIC/CG. First, let me thank you for volunteering to present a paper on the conservation of the Atlantic Neptune. We would be most happy to have you give your talk at the forthcoming Meeting in Peterborough, June 4, 5, and 6.

We are presently arranging the programme and hope to have the names of the various Session Chairmen available quite soon. In the meantime, all the best in preparing your interesting paper. If you have any questions about the programme, don't hesitate to contact me.

Yours sincerely,

Thom

Thom Gentle,
