Dear Eugenie Candau,

Charles Brandt has brought your request for his participation in your exhibition to my attention and we happily agree to it provided he does not offer the work for sale.

I note in your loan agreement that a 4th venue for this show is to be arranged and I am wondering if you have contacted the National Library of Canada as I know that Dr. J.G. Sylvestre, the National Librarian, has from time to time in the past provided excellent exhibition space for international shows. This exhibition space is both environmentally controlled and secure and needless to say any show that goes there gets wide public exposure.

Dr. Sylvestre's address is The National Library of Canada, 395 Wellington Street, Ottawa, Canada, K1A 0N4. His telephone number is 996-1623.

On behalf of the Institute thank you for the invitation to participate. Best wishes for success.

Yours sincerely,

R. LYNN OGDEN
Acting Regional Director
