## Building Hope for a New World

### The Jubilee 2000:

### Promise and Peril Symposium

is being planned by an ecumenical committee composed of representatives from Roman Catholic, United, Anglican and Lutheran Churches. This faith-based symposium will be held at the Okanagan University College in Kelowna, May 26-28, 2000.

There will be a series of plenary and workshop sessions to better inform ourselves of social justice issues, motivate us to action and through prayer and sharing to inspire us with hope and direction. Anticipated outcomes of this event are definite actions to be undertaken, network strengthening and the drawing of other people into action. In concert with the speakers and participants, inspirations and visions for creating a better world in the new millennium will be identified.
